

for Sale to Francavilla al Mare : Setteventi

145 square meters | : 2 | : 3 | : 4

Apartment for sale in Via Ludovico Antinori in Francavilla al Mare consisting of living room, kitchen (also connected externally by the balcony with sea view), three bedrooms (and another one exclusive to the sleeping area, for a more private use), two bathrooms, closet and corridor. The property includes a double garage (at street level), an exclusive parking space, shared with only one other housing unit, outdoor spaces, stairwell and lift.

The apartment, measuring 109 square meters. and 145 square meters. approximately commercial, has high-level finishes such as fixtures, parquet, constant height in all rooms, particular emphasis on the geometry of the two balconies located on opposite sides. Due to their shape and size, as well as being used by a demanding family, they can be furnished for various moments of relaxation.

The property is in the Setteventi area, at a distance of about 500 meters. from the beach.

The building is located in an excellent neighborhood included in an urban context delimited by: Pescara ring road, via Antonella d'Aquino, Arnaldo De Simone and lastly the line of the Adriatic coast.

To appreciate the potential of the housing unit, consult the site for the 360° videos at code 65 and book a visit in person.
