

for Sale to Cassino : Stazione ferroviaria

16 square meters | : 1

Garage for sale in the center of Cassino, railway station area, via Garigliano.

The real estate unit located in the basement of the recently constructed building is accessible from the main road of via Garigliano, through a path reserved for condominiums only.

The position and shape of the Box make it easy to maneuver with medium-sized cars, opening is done with a tilting door.

If necessary, the recess on the long side allows for the positioning of a shelving unit, which is always necessary in modern times where home spaces are increasingly limited.
