140 square meters | : 2 | : 3 | : 5

Apartment for rent in Cassino Arigni Corso della Repubblica area comprises entrance hall, corridor, living room, kitchen, three bedrooms, two bathrooms, two closets and two balconies.

The apartment is located on the second floor facing South-South-East overlooking one of the most ancient streets of the city, as it is also the border with the large green zones of the Villa Comunale di Cassino.

Internal and external window frames are made of wood and features of elegant finishes in line with the building with marble flooring.

The building is made of reinforced concrete with external finishes in cortina with civil plastering.

The courtyard of the building at the rear, with entrance through an automatic barrier, makes parking the car owned and immediate access through back door to the unit.
